Dear Supporter of The Arc,

I am writing to invite you to join The Arc during our annual membership campaign.

The Arc has served children and adults with intellectual and developmental disabilities in Franklin & Fulton Counties since 1954. The Arc advocates for individuals in Franklin and Fulton Counties so that they can live and work in their own communities. The Arc's support helps to empower individuals in making their own choices and attending social, recreational, and community activities.

Some of Arc services include relief to a caregiver who is overwhelmed with the care of a disabled child or adult; community social and recreational opportunities; supervision to ensure the individual's safety at home and in the community; companionship; van transportation to attend vocational and social activities; and personal care. The Arc strives to provide support, comfort, and relief.

The Arc relies on County, State & Federal funding, The United Way, fundraising, memberships, and donations to meet agency budget goals. A large portion of the funding for the agency comes from the state. It is so important to consumers and their families that services not be taken away.

By becoming a member of The Arc shows that you care about the organization and support the services provided to consumers and their families. In addition, a membership with The Arc offers the following benefits: representation and participation in the affairs of the local, state, and national chapters of The Arc, the opportunity to participate in insurance programs, the opportunity to change lives and make a difference.

If you would like to join The Arc of Franklin and Fulton Counties or make a contribution to support programs and services, please fill out the membership form below and return it to The Arc.

Thank you for your support.
