and developmental disabilities

Employee's Name:	Date of Service: / /
Hours of Service: _____:_____ am/pm To _____:_____ am/pm	
Total Hours: _____	

Companion service definition: *Companion services are provided to individuals living in private homes for the limited purposes of providing supervision and assistance that is focused solely on the health and safety of the adult individual with an intellectual disability. This service can also be used to supervise individuals during socialization or non-habilitative activities when necessary to ensure the individual's safety. Companions may supervise and provide assistance with daily living activities, including grooming, health care, household care, meal preparation and planning, and socialization.*

Home & Community definition: *Is a direct service (face-to-face) designed to assist individuals in acquiring, maintaining, and improving self-help, domestic, socialization, and adaptive skills necessary to reside successfully in home and community-based settings. Services consist of support in the general areas of self-care, communication, fine and gross motor skills, mobility, personal adjustment, relationship development, socialization, and use of community resources. Through the provision of this service individuals will acquire, maintain, or improve skills necessary for individuals to live in the community, to live more independently, or to be more productive and participatory in community life.*
