Important information related to the socials:

Grand Point Church so generously let us use their multipurpose room and pavilion for our Socials. We want to respect their rules, and expect that our attendees will as well.

- There is no smoking of any kind inside or outside on Grand Point Campus grounds at any time.
- Attendees must stay in the designated area (multipurpose room or pavilion) during the duration of the Social. Consumers and/or staff are not allowed to wander the halls of Grand Point Church.
- Staff and their consumers are not to show up more than 30 minutes prior to the social event's start time.

We do not want to ruin this opportunity by not following their rules. If Arc staff see any of these rules being broken, a verbal warning will be given. If the behavior continues or happens a second time, the staff/consumer may be asked to leave.

Staff Spotlight

This newsletter's Staff Spotlight is Harold! Harold has been a van driver for about 2 years - his roles include transporting consumers to and from OSI as well as assisting with our Social Rec program. When asked what his favorite thing is about working for The Arc, he says it's the community of people he works with. When he isn't working, you can find Harold dabbling in photography, reading a book, or eating ice cream! We are thankful for people like Harold who help our programs run smoothly.
